The nine volumes of TOWN RECORDS for Gloucester (covering the years 1642 to 1877) are kept in vault #3 of Gloucester City Hall, 9 Dale Avenue, and are catalogued as CC~~264~~.59.

Book One (1642-1715) was indexed in 1995 by members of the Archives Committee, and is the primary source for early land holdings, sales and allotments. This index is titled: NAMES & PROPERTY OF EARLY SETTLERS.

Book Two (1692-1816), for which this is the INDEX, deals with a much wider range of town affairs, from schools, highways and land distribution to town offices and industries. Various spellings of names have been retained.

Both volumes tell us of the first settlers and inhabitants in Gloucester, and of the governmental controls and systems of the time.
