City Clerk Joanne Senos and Gloucester City Council,

As you know, on 3/20/19, Planning and Development Sub Committee is scheduled to begin the review of the Dogtown nomination to the National Register of Historic Places. It has currently been referred to the Planning Board on 3/6/19.

My 75 Revere Street residence, owned by my husband Paul Gilman and me, abuts Lot 125.52. Lot 125.52 falls within the Dogtown proposed boundary under consideration in this nomination.

In order to avoid a perception of a potential conflict of interest, I have decided to recuse myself.

Please note that Councilor Holmgren, Vice Chair of P and D, will preside as Chair of on this Dogtown nomination. This includes being the point contact in preparing the packet material as well as leading all official discussions on this matter.

Thanks for including this notification on the 2/26/19 City Council consent agenda as an "info only".

Regards,

Val Gilman
Ward 4 City Councilor
Planning and Development Chair
