## Minutes

Gloucester Board of Health  
Septic Subcommittee

**MAY 28, 2014**

**8AM**

Meeting Room C  
3 Pond Road  
Gloucester, MA

14 DEC - 9 AM 9:28  
CITY CLERK  
GLOUCESTER, MA

Board members present: Fred Cowan; Rob Harris

Board members absent: Joe Rosa

Others present: Erin Kirchner, Sanitarian; Wayne Martin, Sharon Martin, Wendy Martin, Billy Martin, Paul T. Martin

Meeting called to order at 8:05am.

**Subject: 45 Crafts Road (Map 233, Lot 18)**

**Ms. Kirchner** provided the water testing results from 45 Crafts Road, and acknowledged that the water meets the current drinking water standards. **Mr. Cowan** asked that we request the property owner attend the next meeting of the Septic Review Subcommittee to finalize a timeline for moving towards compliance.

**Subject: 1, 2, and 5 Overlook Avenue septic system failures**

**Ms. Kirchner** provided information on septic system failures on Overlook Avenue. The Martins believed they were going to be permitted to do a private sewer extension for the 3 properties that they own. The sewer extension application was recently denied by the City Engineer, and therefore the Martins will need to move forward with private, on-site wastewater systems for each property. The Martins acknowledged this requirement, and we will review this again during July's meeting of the Septic Review Subcommittee.

Meeting adjourned at 9:30am.

Respectfully submitted,

Erin Kirchner
