The Honorable Sefatia Romeo Theken
Mayor, City of Gloucester
9 Dale Ave
Gloucester, MA 01930

May 12, 2020

Dear Mayor Romeo Theken,

I am writing to propose that we update the City of Gloucester Fire Department Ambulance Service Billing and Collection Policy. As is typical, this is being done in preparation for the FY 2021 Budget.

Over the past few years this office has recommended that we model our fee schedule using the Medicare reimbursement regulations as a benchmark, but set our own specific fees individually. I am recommending we continue this policy. Our fees still remain above average compared with the normal ambulance billing spectrum for the state, so I am recommending no increases in our current base BLS & ALS billing rates.

Last year the write-off period was switched from a fiscal year to a calendar year and therefore only represented the last six months of 2017. As such, this year's write-off numbers represent double the time period, yet came in significantly less than double monetarily. In addition to this change, there were some billing practices that were improved allowing for a significant increase in obtaining patient demographic information. This improvement is most notably shown in our MAASCR return which is projected in excess of \$360k, compared with our previous high of \$150k in 2017.

My recommendation is to write off, as uncollectible, the \$520,625.06 outlined in Appendix B. This constitutes all uncollected debt through December 31, 2018. We are currently efforting collections on bad debt for all of 2019. It is realized that some of this debt is outside the window we have used in past years. However, as a result of the corrections discussed earlier in this report, it was felt additional efforts should be made.

Our financial hardship policy continues to work well, utilizing a write-off procedure and will require a simple updating of the write-off levels. We use an accepted formula of two times the federal poverty level as defined by the Federal Government Department of Health and Human Services.

Our current billing services contract is with Intermedix. The original billing contract with Intermedix was executed in May of 2017. The first of two – 2 year extensions was executed on April 28 2019. I am satisfied that we are receiving adequate billing and collection services, and that while we are always on the lookout for improvements, our reimbursements are appropriately complete, and our revenue is as high as it should be.

I recommend that this proposal be placed in the Mayor's Report to the City Council for their review and approval. If approved, in addition to recording the date of Council acceptance, a certified copy of the vote by the Council will be attached to the approved ambulance billing and collection policy for FY 2021.

Sincerely,

Jonathan C Sanger
EMS Coordinator

 GLOUCESTER, MA 01930
 978-281-9760

Effective July 01, 2020

**CITY OF GLOUCESTER
 FIRE DEPARTMENT
 AMBULANCE SERVICE
 BILLING AND COLLECTION POLICY**

1. The City of Gloucester Fire Department Rescue Squads, d/b/a the City of Gloucester Fire Department Ambulance Service, charges all transported patients or responsible parties the same rate for ambulance services. The current rate structure is:

**GLOUCESTER FIRE DEPARTMENT AMBULANCE SERVICE
 July, 2020**

<i>BLS Emergency</i>	\$1535.92
<i>ALS 1 Emergency</i>	\$1823.88
<i>ALS 2 Emergency</i>	\$2639.84
<i>Supplies</i>	\$500.00
<i>Single Mileage Rate</i>	\$46.08
<i>Extra EMT</i>	\$600.00
<i>BLS Treat and Release</i>	\$1535.92
<i>ALS Treat and Release</i>	\$1823.88
<i>Med Flight Assist Transport</i>	\$1535.92

2. The City of Gloucester policy is to bill all transported patients, or their responsible parties, regardless of whether they have third party coverage, with the following exceptions.
 - A. Obviously deceased persons with no emergency care intervention/transportation.
 - B. City employees injured in the course of his or her employment.
 - C. City employees retired on a job-related disability.
3. The City of Gloucester, through a contracted billing service, will bill the ambulance patient or responsible party shortly after services have been rendered.
4. When valid third party insurance information is available, our billing service will bill the insurance company directly.

5. When insurance information is not immediately accessible or is incomplete, an initial monthly statement, or bill (Attachment 1), detailing charges and requesting insurance information for third party billing will be sent to the ambulance patient or responsible third party. When no response is received to the first bill, 2 additional bills shall be sent at 30 day intervals. Then a fourth bill, (Attachment 3) shall be sent in the form of a dunning notice. This Fourth bill shall be a respectful demand for payment with a warning of possible referral of the bill to a collection agency. A Hardship Application (Attachment 2) is available upon request.
6. If, after reasonable and customary attempts to collect a bill, and the debt remains unpaid 30 days after the fourth bill is mailed to the patient or responsible party, the debt may be:
 - A. Written-off if the balance is \$50.00 or less.
Or maybe:
 - B. Turned over to a collections agent when the bill exceeds \$50.00.
7. All bills, outstanding beyond 180 days, and meeting the preset collection criteria as set by the City of Gloucester (Attachment 4), may be transferred to a collection agency identified by the City. The billing service shall cooperate with the collection agency in pursuing collections up to and including small claims actions in District Court.
8. If a collection agency is used, collection efforts will include direct contact in person or via telephone, attempts at mail contact if direct contact is not successful, and filing of small claims court actions. Only licensed collection agencies will be employed. The collection agency will be instructed to follow strict guidelines including but not limited to:
 - A. Bills to deceased patients will be written off upon confirmation of patient death.
 - B. Write-off or accept a reasonable payment plan for patients who complete a Hardship Application and provide income records for the past two years documenting income at or below the hardship criteria established by the city (Schedule A), in the form of copies of Federal Tax Forms (i.e. W-2, or 1040) filings or a written statement signed by a verifiable employer or employers certifying income paid for the past two years.
 - C. Filing of small claims actions in District Court with acceptance of any payment plan imposed, and enforced by, the court.
 - D. No contacts with patients after hours allowed by collection laws/regulations.
9. The City of Gloucester may establish that the patient or responsible party is either indigent or medically indigent. The City of Gloucester will apply its customary methods for determining the indigence of patients or responsible parties under the following guidelines:
 - A. The City of Gloucester has adopted income guidelines which are 2 times the Federal Poverty Level (Schedule A). These income levels will be compared to the family income reported by persons seeking write-off so as to determine hardship write-off eligibility. Those persons with family incomes below the Schedule A levels will be written-off.
 - B. The patients indigence will be determined by the City of Gloucester not the patient (i.e., a user-originated statement of his/her inability to pay). A City of Gloucester Hardship Application, supplied by the billing service upon request and completed by the person seeking to establish a payment schedule, or to have the bill written-off, will be used to detail income levels (see Attachment 2). The City Fire Chief, or his designee, reserves the right to require verification of the income reported on the Financial Information form, by production of Federal Tax Forms (i.e. W-2 or 1040), pay stubs, written employer statements, etc., prior to authorizing write-off.
 - C. The City of Gloucester collection effort may include the use of a collection agency in addition to or in lieu of subsequent billing, follow-up letters, telephone contact or personal contacts. If a collection agency is used, the City of Gloucester will refer all uncollected patient charges greater than 180 days old in accordance with the established collection criteria (Attachment 4).
10. The Fire Chief and EMS Coordinator are directed to adjust rates annually. The Medicare National standardized rate structure will be the baseline.

11. The Gloucester Fire Department Ambulance Service respects the privacy of patient information. The City's privacy policy, as required by the Health Insurance Portability and Accountability Act (HIPAA) is available upon request (Attachment 5).

12. The Fire Chief and EMS Coordinator shall prepare for submission every year concurrently with the submission of this policy a recommendation for the write-off of uncollectible outstanding bills.
