6. Response to letters to the Mayor regarding vaccines and masks and human rights

Notice re: Disabilities Rights Commission:

The City of Gloucester is actively recruiting for that Commission, as well as a dozen others. Once they have enough members for a quorum, they will be able to meet. The Disabilities Rights Commission is a sub-commission under the Human Rights Commission. At this time, only one member has been appointed to the Disabilities Rights Commission. They need six more members for the Commission. If you know of anyone who may be interested in serving, please have them send a letter of interest and a current resume to mayor@gloucester-ma.gov. To learn more about Gloucester's Boards, Commissions, and Committees please visit the website: [Boards & Commissions](#). The information for the Disabilities Rights Commission should be added shortly and more information about that commission is attached. If you have any questions or need any other information please let Chris Sicuranza (csicuranzar@gloucester-ma.gov), Assistant to the Chief Administrative Officer know.

The listing of matters is those reasonably anticipated by the chair, which may be discussed at the meeting. Not all items may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.
