Minutes of the meeting of June 4, 2012 were accepted.

Saturday, June 9, 2012 construction day was a rousing success due to timbers donated by Ocean Alliance from the Paint Factory renovation project. Major structural work was accomplished. Hal and Nick can start masonry work now.

Gloucester Fund has transferred \$2,000 to the City. Jim Hafey will check to make sure it is in our revolving account # 293021 for timber to be milled for sills and joists. Jim will spend the remaining Building Center funds on timber ties and rough sawn wood and cement.

The new T shirts are now at Willow Rest and Art Studio as well as at Wulla and Plum Cove Grind. Donations are still flowing in. If we are to hold a silent auction at Eastern Point we should do so before August due to changes in leadership at the Retreat. We would like some lumber and bricks saved for artists to create auctionable art.

We have many questions from the CPA committee. We deferred discussion until the next meeting. Jim Hafey will work on a thank you note to Ian Kerr at Ocean Alliance, perhaps from the mayor. The mayor should also be updated on progress

Our next meeting will be our usual meeting at the City Hall Annex, CATA building, Pond Road on June 18, 2012 at 2 pm.

The meeting adjourned at 2:30 pm.
