Minutes of the meeting of August 13, 2012 were accepted.

Arnie Shore was welcomed as a new committee member.

The next meeting will be this Saturday at 10 am at Lanes Cove. Progress will be reported to the Public. The Times and Beacon have been invited as have many officials and neighbors.

Barry Pett is updating his records of contributions to our fund. His accounting has run well behind events.

Bill Stowell has been updating Lisa Press on activity. He will straighten out small bills charged at the Building Center after our original purchase order expired and shift them to the open order to which they should have been charged. Bill and Russell did a lumber inventory and discussed with Peter Natti so rafters will be ready. Thursday and Friday work will start on the roof. We set up some scaffolding last Saturday and the rest should be ready by the weekend. The present cross ties can be reused higher after cut off and Natti is cutting new rafters.

According to Jackie Hardy, if CPA funding comes through it is likely to be October.

We will need sheathing for the roof and do not wish to take further advantage of Peter Natti's generosity. We are negotiating presently for roof sheathing.

We need fire extinguishers for the building.

Our next meeting will be at the Fish Shack, Lanes Cove on August 25, 2012 at 10 am.

The meeting adjourned at 2:40 pm.
