Minutes of the meeting of August 19, 2013 were accepted.

The wheelchair ramp will be removed this weekend. The plaque and Dory model will be offered to Kim D'Antonio. The Bluefish will come down and be stored inside. We owe \$2138 to Bill Stowell for part expenses, the bill will be forwarded to the Gloucester Fund. We presently have about \$15,000 from which about \$2,000 will be paid for the thank you party. The party was a break even proposition. Although it was not the intention to raise funds, about \$2,200 came in for T shirts and auction articles. We will offer to pay Russell Hobbs for the dory case and plaque. A special letter of thanks will be sent to J Raymond Smith for their help. Special thanks will also be forwarded to Shaws market.

Any landscaping around the shack will be pursued by the follow on committee suggested by councilor Hardy and Mayor Kirk. Lobbying for permanent port-potty will also be turned over to any follow on committee.

We do not plan to schedule further meetings.

The meeting adjourned at 2:40 pm.
