Article 4 Section 3 Waiting Lists (E). Notification: When a space becomes available the first person on the wait list for that area will be notified by the Harbormaster via certified mail. Said person shall have ~~twenty one (21) days~~ to respond to the Harbormaster to determine if their vessel is suitable for the available space. The person will be given the opportunity to match their vessel size to the space or opt to be passed over. If the person fails to respond, or turns down the opportunity to install a mooring at the designated location, the Harbormaster shall proceed to the next person on the waiting list. Applicants wishing to be passed over may do so for ~~as long as they chose~~ and continue to renew their application and pay the renewal fee. This process shall be repeated until a proper sized vessel is found for the vacated mooring space. In some situations it may be necessary to review the mooring field to determine if rearranging moorings might prove to better serve the mooring needs. A person assigned a mooring will have one (1) calendar year to place a vessel on the mooring. Provided, however, that a mooring fee, based on the declared length on the wait list, will be paid for the year regardless if there is a vessel to occupy the space.
