Goals for this Meeting

1. All attendees will be updated on the current status of the Cape Ann Mass in Motion work plan for Active Transportation and Age Friendly Communities strategies.

2. We will develop a plan to recruit participants for spring walking audits. Audits should include representation from the following in each town: municipal leaders, community residents, members of priority populations, and Cape Ann Mass in Motion partners.
3. Attendees will provide feedback on regional funding proposal and pilot proposal presented for senior transportation to increase access and opportunity for healthy food and physical activity.
