Business:

- 1) **Revised Management Plan:** Charlie opined that a new management plan should incorporate the North Woods study as it is part of the larger Dogtown area. A comprehensive study was created on the North Woods with solid recommendations for preservation.
 - o Upon motion by Charlie and seconded by Chris, the DAC voted 4-0 to include the recommendations of the North Woods study into the larger management plan of Greater Dogtown.
- 2) **New Members:** In an effort to bring more members to the DAC, Mark threw out the idea of being a fully recognized Board in the City rather than our current status as an advisory committee. Charlie would like to see the Conservation Commission represented as well as parcel owners in Dogtown which includes, Essex County Greenbelt and New England Forestry.
- 3) **Clean Up:** The Great Gloucester Clean Up is set for April 27th from 9 am to 11 am. Val Gilman is the lead for the Dogtown effort. Interested members should meet at the old stump area at 9 am.
