This is a special meeting to continue discussion of strategy prioritization for the Climate Action and Resilience Plan (CARP) from the meeting on May 18th, 2022. The agenda will include,

1. Gloucester Climate Action and Resilience Plan (CARP): Van Du (MAPC) will lead a discussion of the CEC on evaluating and prioritizing strategies to meet the goals for Gloucester's climate action agenda. (CEC and Community Development Dept. are providing guidance and oversight of the CARP plan/process, which will set target amounts and dates for carbon footprint reduction, identify stakeholders to include in the planning process, and define methods and programs for meeting those targets for the City).

Wrap up: Review action items, next meeting date, and adjournment.
