Good morning Joanne. Due to the updated weather reports regarding hurricane Lee, we will unfortunately need to postpone the Gloucester Community Safety Day event on this Saturday September 16, 2023.

We are requesting approval from the Special Events Advisory Committee and approval from the City Council Planning & Development Standing Committee for a street closure on Harbor Loop for the Community Safety Day special event for Saturday, October 14, 2023. Please contact me with any questions or concerns. Thank you!
