8. Amend Sec. 22-283 "Bus stops and taxi stands" by **DELETING** Pleasant Street, westerly side, beginning at the point 50' north of its intersection with Prospect Street for a distance of 120' in a northerly direction effective from 8:30 a.m. to 9:30 a.m. and 2:30 p.m. to 3:30 p.m. weekdays, excluding the months of July and August.

(June Meeting) After a discussion and speaking with Councilor Cox, a MOTION was made, seconded and PASSED to CONTINUE the order until the ward councilor can have a neighborhood ward meeting concerning the changes.

*The TC has learned that there is already an ordinance in place for item #5 in the order, but no signs are present. From looking at maps of the area, some on the TC feel that a better traffic flow would be for busses to drop off on Pleasant Street and parents to drop off on Smith Street. There was a big concern in the requested plan with school busses being able to make the left turn from Smith Street onto Pleasant Street. There was also a question concerning parking during church holy days that fall on school days during the week (ie: Ash Wednesday, Holy Thursday etc.). Also, the TC was concerned where teachers and other school workers would park.*

A request for a handicapped parking space at 1 Flume Road has been received and will be discussed and voted on at this meeting.

**ORDER #CC2014-030 (Councilor LeBlanc)** ORDERED that the GCO ch 22. (Traffic) and Sec. 22-289 (Parking Meter Zones) be amended by ADDING:

Washington Street in front of #8, two 2 hour parking meters; and amend Sec. 22-216 (Hours of Operation) as needed.
