**Order #CC2016-034 (Councilor Gilman) ORDERED** that the Traffic Commission conduct a site visit in order to make recommendations of safe traffic flow patterns and parking at the intersection of Holly Street and Washington Street; and that the Traffic Commission make a written recommendation to the Ordinance & Administration Standing Committee on the findings of their review including whether any traffic ordinance amendments to the Gloucester Code of Ordinances are recommended.

*(July Meeting) After a long discussion and speaking to the parties concerned, it was decided that a group site visit be conducted to obtain proper measurements. A MOTION was made, seconded and PASSED to CONTINUE the order.*

*The area has been a concern for some time and the city has been unable to provide a map that shows property lines and ownership. Many issues were discussed (pedestrian safety, loading zones, parking, crosswalk and signage) but at this time without a proper map nothing could be acted upon at this meeting.*
