A meeting of the Gloucester Traffic Commission will be held on Thursday, July 27, 2017 at 6:00 p.m. in the third floor conference room at Gloucester City Hall.

Please conduct your own site visits when convenient

AGENDA

- Approval of the minutes from our 6/29/17 meeting
- Handicapped Parking requests

One space at 15 Dodge Street

Removal of a space at 35 Cleveland Street

Removal of 2 spaces dedicated for City Hall use on Dale Avenue

The following was continued from our May and June Meetings:

Order #CC2017-013 (Councilor O'Hara) ORDERED that the Ordinances & Administration Standing Committee request that the Traffic Commission review the beach no parking areas for possible expansion of beach no parking areas.

(May Meeting) After speaking to Councilor O'Hara and a discussion, a MOTION was made to CONTINUE the order.

Most of the streets in the Good Harbor Beach area are currently posted but some are Saturday P.M., Sunday and holiday only, some are prohibited at all times and some have no restrictions. Some streets may have to be added (Hartz Street for example) and could be made for resident parking only. Councilor O'Hara, the TC and Ward One Councilor Memhard will continue to research the restrictions and speak to affected residents on their input. At this time the area to Wingaersheek Beach is not an issue as the only street approaching it is already prohibited at all times.

(June meeting) JD McEachern and Councilor Nolan updated the TC on the continuing progress on this matter.

A request from DPW Mike Hale concerning a crosswalk at the intersection of Gloucester Avenue and Washington Street,

(From Mike Hale): On Washington Street at Gloucester Avenue there was a crosswalk. When we paved, we did not reinstall one. The concern was lack of site and speed, both heading out of the rotary. There has been a few requests to put it back. Looking for a little guidance from the TC on this. I personally think it's a dangerous location and a crosswalk only makes it worse, not better.
