

00:10:01 Zorba Kinigstein: Watching from Georges

00:20:10 Robin Hubbard: Freedom of choice is best.

00:20:56 Ashley Sullivan: I agree - we are not one size fits all!!! What works for one person could be detrimental to another.

00:22:41 Zorba Kinigstein: This sounds like a fantastic idea!

00:22:46 Ten Pounds: This guy is brilliant!

00:23:26 Leah Lovasco: Yes let businesses and people make their own decisions

00:23:33 Ten Pounds: Masks do not work!

00:24:43 Ten Pounds: Because it says right on the box it doesn't work and some people are smarter than others and actually read the box!

00:25:26 Robin Hubbard: Mask mandates are draconian.

00:27:38 Olivia - Greater Cape Ann Chamber: Olivia from the Greater Cape Ann Chamber here. Businesses in Gloucester are mixed when it comes to mask mandates. Some are in favor of a mask mandate, some are neutral, and some are against it.

00:28:08 Ashley Sullivan: I have dozens of studies from the NIH that show that masks that are not N95 or better, without proper PPE, do not work..... which means in order for masks to work you would need to give everyone an endless supply of n95s and proper PPE training. People should be allowed to choose what they want and don't want to do. For some people the masks are terrible. Mentally, physically, and developmentally for some children. Let people choose for themselves!!

00:29:57 Ten Pounds: Posting daily covid test results instead of lumping 3 days together to make it seem more scary is the BOH's current posting strategy.

00:32:22 Ten Pounds: Max the mask mandater!!

00:32:54 Ashley Sullivan: kids are masked at school

00:33:16 Ten Pounds: OMG!! lol

00:34:01 Ashley Sullivan: THAT is awesome

00:34:32 leah lovasco: If you are going to make another mask mandate, then limit or lower the amounts of people at events, in stores, restaurants, etc

00:34:47 Jennifer Entwistle: WHEN DOES THE PUBLIC GET TO WEIGH IN ON THIS? We need a say!

00:35:07 Patti Page: I don't think they ask our opinion.

00:35:25 Rick Roberts Jr.: Are we supposed to go back into a hole again???

00:35:43 Jennifer Entwistle: If someone is so afraid that they want a mask mandate, why are they traveling all over NYC?

00:36:22 Silvie Lockerova: You need to let us speak up! Why this should be a decision of 8 people who we don't know?

00:36:41 Rick Roberts Jr.: enough is enough

00:37:10 Ten Pounds: What is Max's education level to be making these mask mandates for 30,000 people? Is he going on a European vacation like the last director did when she made you lock down?

00:37:11 Silvie Lockerova: And you should not give children an experimental drug! That's a crime!

00:37:34 MGlosta: We The People will resist mandates and political science of this pandemic

00:38:00 Ten Pounds: Please share your studies that show masks work?

00:38:25 Silvie Lockerova: masks are harmful: <https://www.lifesitenews.com/news/47-studies-confirm-ineffectiveness-of-masks-for-covid-and-32-more-confirm-their-negative-health-effects/>

00:39:18 Silvie Lockerova: Anyone knows how harmful is PCR?

00:39:19 Jennifer Entwistle: Olivia, from Chamber: I'd love to see a list of businesses against so I can support businesses that support freedom!

00:39:37 Kim Maclsaac: Its proven that masks don't work on virus's

00:39:39 Silvie Lockerova: Agree, I want to have the list as well

00:40:26 Kim Maclsaac: Jen, me too

00:41:55 Ten Pounds: I would like the list of the restaurants that are getting paid to only take vaccinated customers and who is paying them?

00:42:12 Rick Roberts Jr.: People who has gotten covid shots such as boosters all end up in the ER. so that tells us that vaccines & boosters dont work

00:42:12 Kim Maclsaac: allow people to assess their own risks

00:42:47 Silvie Lockerova: Freedom of choice!

00:43:36 Ten Pounds: News Flash!! Everyone who wants to get the vaccine has gotten it. They rest don't want it!

00:43:49 Jennifer Entwistle: Businesses should think carefully before they take a hard stand. I'll be laughing when Short & Main closes for an exposure or goes out of business.

00:44:50 Ten Pounds: Word on the street is Short and Main are getting paid for their propaganda services!

00:45:12 Silvie Lockerova: How much was Short and Main payed? Those restaurants are payed for mandating vax passes

00:45:55 Kim Maclsaac: I wont be going to that restaurant!

00:46:37 Rick Roberts Jr.: never been to short & main. I will not be going anytime soon

00:47:17 Jennifer Entwistle: Even people who are fully vaccinated should think twice before they are ok with "show me your papers"

00:47:41 Jennifer Entwistle: Hahaha! How many boosters until you are vaccinated enough to make these people happy?

00:47:50 Silvie Lockerova: who wants to be vaccinated, let them do it every day and leave the rest alone!

00:47:59 Ten Pounds: Joe wants all you to get boosted before you can go to Short and Main now! lol It will never stop!

00:47:59 Kim Maclsaac: and then you will be getting booster # 4, 5 and 6. When will it stop?

00:48:14 Rick Roberts Jr.: should be left up to us not the government

00:48:25 Rick Roberts Jr.: i refuse to get a booser

00:48:30 Rick Roberts Jr.: booster

00:49:02 Silvie Lockerova: Remember that the govt is only a public servant and same BOH!

00:49:51 Rick Roberts Jr.:silvie you an i are always on the same page

00:50:29 Silvie Lockerova: :) Rick glad to know

00:50:31 Ten Pounds: They listed 2 deaths on the website and now Mask Mandater just said 3 more died? How old were they? Were they hospitalized? Did they have previous health issues? Were they vaccinated? This is the information we need to know!!

00:51:23 Kim MacIsaac: How many of the people in the hospital with covid have had the vaccine?

00:51:37 Rick Roberts Jr.:its very high kim

00:51:45 Rick Roberts Jr.:i work at agh

00:51:58 Silvie Lockerova: vaccinated people are the transmitters

00:52:23 Marc John Randazza, First Amendment Lawyer: That's what freedom is.

00:52:33 Jennifer Entwistle: As we should be able to vote with our dollars!

00:52:42 Ten Pounds: There were 5 hospitalizations listed on the site. It does not say if they were vaccinated we should know!

00:53:08 Silvie Lockerova: California sucks! Tyrannical

00:53:10 Marc John Randazza, First Amendment Lawyer: Bravo, Mr. Cowan. "People need to be responsible for themselves"

00:53:10 Rick Roberts Jr.:most of the people coming in are vaccinated

00:54:13 Ashley Sullivan: That I absolutely agree with. It's important people understand the risk for their age group/health status/etc. They need/should inform of numbers in hospital, number off deaths, ages, comorbidities, etc. as was stated above!!

00:55:37 Marc John Randazza, First Amendment Lawyer: "

00:55:51 Marc John Randazza, First Amendment Lawyer: "Numbers" are meaningless without additional information.

00:56:06 Silvie Lockerova: More shots=more health?

00:57:02 Jennifer Entwistle: I hope the new mayor listens to now "just a citizen" the way the old mayor listened and responded to me. Only when I bash her on a public forum and never for an actual problem.

00:57:23 Marc John Randazza, First Amendment Lawyer: I am vaccinated. I think it is the right decision - FOR ME. But, any business that won't let you in without a vaccination card is a business I will boycott until it closes.

00:57:26 Ten Pounds: Why doesn't anybody talk about how people should be taking care of themselves by taking boosting their immune system with vitamin D3, Elderberry, etc. Walking, exercise, eating healthy.

00:58:56 Kim Maclsaac: Ya, Keep the fear going!

00:58:59 Silvie Lockerova: Because Big Farma can't benefit from vit D and Elderberry. They sold the vaccines to each state and we will have to pay for it with our taxes

00:59:01 MGlosta: They don't want us healthy 10 pounder, we know there is a very nefarious agenda behind all of this, worldwide

00:59:56 Ten Pounds: When you get a positive test result the BOH calls you and says ok quarantine. They have NOOOO advice to tell you how to beat it. Get up and get your lungs moving do not lay down and let fluid build up.

00:59:59 Rick Roberts Jr.: were so short staffed at agh

01:00:41 Jennifer Entwistle: How come the BOH refused to do their job when Ace Hardware was insisting spraying people down with an unlabeled bottle of sanitizer to enter? Wouldn't speak to them about it and didn't even understand why that wasn't allowed. Maybe you should enforce MSDS usage when you want to spray down members of the public.

01:01:21 Silvie Lockerova: I left from Ace Hardware and refused to give them business

01:01:41 Ashley Sullivan: Thumbs up on the honesty and acknowledging those people - they deserve it. I appreciate you laying out both sides of the issue.

01:03:14 Ashley Sullivan: Social media campaign!!

01:03:15 Marc John Randazza, First Amendment Lawyer: Nice presentation, Sefatia! Thank you.

01:03:28 Ashley Sullivan: I agree Marc!! She nailed it!!

01:04:10 Silvie Lockerova: The numbers are wrong, it was made up since the beginning and we all know it!

01:04:37 Jennifer Entwistle: Hey, how come if I get an antibody test monthly, I get a call from the BOH each time and I get counted as a case? The numbers mean NOTHING!

01:05:15 Silvie Lockerova: Interesting Jen!

01:06:02 Ten Pounds: Everyone can get internet for \$30 a month regardless of income right now! It's right on Comcast website.

01:06:28 Jennifer Entwistle: Kids can read! Yeah, let's pass the propaganda down to parents through our kids! Let's scare the kids!
Brilliant idea!

01:07:13 Silvie Lockerova: Leave the kids alone! will ya?!

01:07:54 Ten Pounds: Why not? They bully them already with telling them if we can just get a couple more kids to get vaccinated we can take the masks off!

01:08:50 Kim Maclsaac: Covid is 99.8% recoverable.

01:08:56 Ashley Sullivan: yes yes and yes - handwashing handwashing handwashing!! Social distancing is also important if you don't know the person - masks aside. Give people distance wash your hands....

01:09:13 Silvie Lockerova: Stay home if you are sick, that's it

01:09:47 Silvie Lockerova: wear a mask if you are compromised

01:10:22 Ten Pounds: Get information out about staying healthy and what should you do if you get covid!

01:11:49 Silvie Lockerova: Thank you Joe Rosa

01:12:05 Silvie Lockerova: YES YES YES

01:12:06 Ten Pounds: Was Claudia the one who traveled to New York?

01:12:19 Raquel DaRowe: Yes, agree - keep it up to the individual to make the choice. Freedom of choice!

01:12:19 Kim Maclsaac: you got the vax, its suppose to be 95% effective, then why are you afraid?

01:12:25 Silvie Lockerova: NYC and she likes the example of CA

01:12:44 Silvie Lockerova: NO thank you Claudia, keep your guidance to yourself

01:12:52 MGlosta: Yes common sense, not mandates from a handful of people making the decisions for us!!

01:13:16 Silvie Lockerova: FREEDOM! NO MANDATE!

01:13:17 Kim Maclsaac: masks are not healthy. we need to breathe!

01:13:25 Ten Pounds: Well she has no business telling us what to do if she just traveled to New York??? Hello?

01:13:30 Jennifer Entwistle: If masks and vax work WHY AREN'T THEY WORKING?

01:13:47 Silvie Lockerova: Keep your helpful information Claudia

01:14:11 Ashley Sullivan: But for some people your mandates aren't healthy - so what? They should sacrifice?

01:14:25 Kim MacIsaac: MASKS DONT WORK!

01:14:31 Ten Pounds: Rules for thee but not for me!

01:15:08 Silvie Lockerova: should or should not? should just because you say

01:15:16 Jennifer Entwistle: Short staffed because they are firing doctors and nurses!

01:15:23 Silvie Lockerova: I see one side

01:15:24 Raquel DaRowe: No mask mandates

01:15:30 Ten Pounds: No all on one side.

01:15:30 Jennifer Entwistle: I see one side too.

01:15:34 Silvie Lockerova: boooooo

01:15:38 Silvie Lockerova: bullshit

01:15:56 Silvie Lockerova: let us talk

01:15:59 Ten Pounds: He just wants to put his new power into play!

01:16:11 Silvie Lockerova: Bullshit Max!

01:16:27 Kim MacIsaac: lets hear from the public!

01:16:33 Ten Pounds: Maxadator!

01:16:52 Silvie Lockerova: LET US TALK LET US TALK LET US TALK LET US TALK

01:17:03 Doug Parsons: some text are to everyone, some are only to board (look at the pull down)

01:17:10 Jennifer Entwistle: Let's make the decision based on ONE BUSINESS!?!
01:17:25 Ten Pounds: You can only chat Silvie! You are not important enough to speak!
01:17:32 Doug Parsons: I think item 7 on the agenda is Public Comment, that may be when we get to speak.
01:17:34 Jennifer Entwistle: How about if you are afraid, STAY HOME!
01:17:52 Silvie Lockerova: AND THEY LIE TO US LIKE WE DON'T SEE THE CHAT
01:18:16 Kim MacIsaac: Do you want us to wear armbands too?
01:18:17 Jennifer Entwistle: "Foolproof system". Ok. And IDs but no IDs for vax or voting.
01:18:21 Ten Pounds: Claudia would be the first one to ask you "for your papers" History repeats itself!
01:18:25 Leah Lovasco: you can't force business to ask for a vaccine cards where businesses are short staffed as it is
01:18:28 Deanna Fay: If the BoH is going to consider comments on this chat thread, please be clear, this is not representative of both sides. It is clearly predominately anti-mask, anti-vax folks. Also, if consideration of comments are to be made, actual names of people making comments should be visible.
01:18:58 Silvie Lockerova: BOH shame on you!
01:19:17 MGlosta: These vaccines don't stop the spread, don't "vaccinate" the individual at all. I had covid and have natural immunity that studies have proven is a much greater immune response to further infections or the scary variants. We need to look at ALL of the science, not the cherry picked ones Fauci and his ilk allow us to call the "Science".
01:19:32 Ten Pounds: Go Sefatia!!!!!!!!!!
01:19:51 Catherine Asaro: Are these folks scientists? Oh no? I will not wear a masks based on your opinions!
01:20:09 Kim MacIsaac: listen to the science that's not bought and paid off.
01:20:09 Leah Lovasco: yes let businesses decide
01:20:11 Silvie Lockerova: woohoo yes Sef
01:20:11 Rick Roberts Jr.: i'm gonna miss the mayor. she stands with us

01:20:30 Kim MacIsaac: When will the boosters stop?

01:20:42 Ten Pounds: Verga is all for masks and vac mandates!

01:20:49 Silvie Lockerova: the boosters are not meant to stop until we all become zombies

01:21:00 Silvie Lockerova: Verga should not be there

01:21:25 Rick Roberts Jr.: Verga will not do what she does

01:21:52 Olivia - Greater Cape Ann Chamber: Just to reiterate, it should be recognized that businesses in Gloucester are mixed when it comes to a mask mandate. Some would like a mask mandate, some are neutral and some are against it. This includes restaurants, retail stores, service businesses, etc. Businesses should definitely be able to have the opportunity to speak so the board of health can hear their perspective no matter where they stand on a mask mandate.

01:22:12 Catherine Asaro: I've been vaccinated twice. I will not wear a mask Safatia!

01:22:21 Jennifer Entwistle: Be prepared to get a lot of phone calls then. What about the people who can't wear them? We don't count. They just want us to go away.

01:22:23 MGlosta: When you look at the most vaccinated countries in the world like Israel, Ireland...3 and 4 boosters and their numbers are worse there. Can't blame that on the unvaccinated.

01:23:09 Jennifer Entwistle: Olivia, they don't want to hear from the public or business owners. That's pretty clear.

01:23:44 Silvie Lockerova: Thank you Sefatia

01:24:31 Ten Pounds: Other countries are stopping the vaccines for kids because they are dropping from heart problems.

01:24:34 Silvie Lockerova: You will turn people against each other Claudia, don't do it!

01:24:43 Rick Roberts Jr.: why would you bother the GPD. Don't they do enough

01:25:02 Kim MacIsaac: I won't visit businesses that require a mask

01:25:30 Phil C: Thank you Sefatia

01:25:57 Jennifer Entwistle: I'll shop out of town. If these businesses want to enforce it, they can starve.

01:25:59 Silvie Lockerova: leave the young people

01:26:08 Ashley Sullivan: that's a personal choice - for some people that's NOT the case... it doesn't stop the spread. And if hospitals are worried - they shouldn't be firing staff for being unvaccinated

01:26:38 Silvie Lockerova: boooo hospitals

01:26:51 Jennifer Entwistle: 72 doses by 18! Maybe you should know that.

01:26:52 Catherine Asaro: Vaccinating children is child abuse.

01:26:54 Ten Pounds: No you can't make that blanket statement. Just because they are young and have it doesn't mean they are not vaccinated. GIVE US THE TRUE INFORMATION!

01:26:58 Silvie Lockerova: Thank you Joe Rosa

01:27:13 Phil C: Thank you Joe Rosa

01:27:29 Jennifer Entwistle: There are exemptions for school...for now.

01:27:31 Ashley Sullivan: because the last time I sent my kid to get vaccinated he had a reaction - the MMR vaccination. He's dealt with seizures his entire life and your mandates will negatively impact his life

01:27:44 Silvie Lockerova: many people have reactions

01:28:13 gera: If the vaccine keeps you out of the hospital but does nothing to stop the spread, it's not a public health issue at all. It's personal.

01:28:19 Rick Roberts Jr.: Let PARENTS decide what we do to our children. We are parents for a reason

01:28:30 MGlosta: Because those vaccines have been tested and vetted for years, not these so-called vaccines, they are a gene therapy and has very little in common with the vaccines required by schools such as mumps, measles, chicken pox, hepatitis, etc. Take a look at VAERS and tell me just how "safe and effective" these covid 19 vaccines are.

01:28:40 Silvie Lockerova: Experimental vaccines can't be mandated! Vaccines have to be tested min 8 years

01:29:30 Ten Pounds: Lahey will not treat you for covid at home. They wait til you are on your death bed before they help you and by then it's too late.

01:29:48 Silvie Lockerova: Any ideas about immunity? you don't have any if you are full of shots

01:29:48 Kim MacIsaac: 73 doses of vaccines by the time their 18. I had 6 as a child. 1 in 43 kids nowadays is on the autism spectrum.

01:29:50 Ten Pounds: Why should we wear masks because the hospital won't treat people!

01:30:42 Silvie Lockerova: Thank you Donald Ganim

01:30:54 Kim MacIsaac: NEW WORLD ORDER!

01:30:57 Raquel DaRowe: I agree with Donald Ganim - no mask mandates

01:31:09 Santo: Agreed!

01:31:17 Phil C: Thank you Donald Ganim

01:31:27 Silvie Lockerova: yeah, it's a joke right? restaurants full of BS

01:31:36 Ten Pounds: If Ganim wasn't already a doctor I would say we need him to be our Health Director!

01:31:41 Catherine Asaro: yeah! to the doctor

01:31:42 Jennifer Entwistle: I want Donald as a physician. He had a brain!

01:31:46 Ashley Sullivan: Donald has been spot on and understood from the get go - for some people these policies are not healthy and by mandating you are forcing them to be unhealthy. Everyone is different.

01:31:52 MGlosta: YES!! Mask rules are moronic and lack any logic

01:31:54 Silvie Lockerova: Donald, Donald

01:32:11 Kim MacIsaac: covid is above 6 feet high. most ridiculous rules ever

01:32:13 Jennifer Entwistle: Where is Donald practicing???

01:32:25 Ashley Sullivan: I don't know but I like him

01:32:49 Ashley Sullivan: yay Fred!!

01:32:58 Ten Pounds: IDK but we should have him as our doctor!

01:32:58 MGlosta: NO!!

01:32:58 Santo: Noooooo

01:33:04 Silvie Lockerova: yes Fred

01:33:09 Rick Roberts Jr.:are you serious

01:33:11 Kim Maclsaac: why cant the public speak on here?

01:33:29 Ten Pounds: Unbelievable!

01:33:36 Catherine Asaro: Not wearing a mask Natzi!

01:33:53 Silvie Lockerova: They don't want us speaking because we have strong voices, all in oposition

01:35:13 Catherine Asaro: Who do you people think you are besides nobodies? You will not tell me what to do anymore!

01:35:45 Kim Maclsaac: cdc works for big pharma!

01:36:34 Silvie Lockerova: Big Farma, Bill Gates - the best doctor of all - he knows how to make viruses, starting with computers

01:37:19 Silvie Lockerova: you are not mandating me!

01:37:30 Ten Pounds: Oh so only the city employees will be safe! lol

01:37:37 MGlosta: I won't comply

01:37:44 Silvie Lockerova: boooo

01:37:56 Silvie Lockerova: mandate yourselves

01:38:11 Ashley Sullivan: what?

01:38:12 Ten Pounds: Oh all public access!!! She is in love with herself!

01:38:12 leah lovasco: why? it's a public building

01:38:15 Silvie Lockerova: MASK CULT

01:38:30 Kim Maclsaac: THEN THE VAX DOESNT WORK!

01:38:30 Silvie Lockerova: you are lovin it, aren't you?!

01:38:33 Rick Roberts Jr.: I will not shop in Gloucester. That means small businesses will lose even more business

01:38:40 Leah Lovasco: so you want to put a mask mandate on all public places yet weddings don't have to?

01:38:47 MGlosta: And now you know why so many people are fleeing blue cities and states...

01:38:53 Silvie Lockerova: ABSURDITY

01:38:54 Marc John Randazza, First Amendment Lawyer: How do you have the right to mandate what I do in my business?

01:38:57 Silvie Lockerova: TRANSPARENT

01:39:02 Marc John Randazza, First Amendment Lawyer: Anyone want to sue the city?

01:39:06 Ten Pounds: Power trip Claudia!!!

01:39:06 Marc John Randazza, First Amendment Lawyer: if this passes?

01:39:06 Raquel DaRowe: If there is a mask mandate in Gloucester I will not shop in Gloucester

01:39:18 Ten Pounds: I will sue with you!

01:39:20 Kim MacIsaac: you people are crazy!

01:39:20 Silvie Lockerova: Yep lets do the court, we have their names

01:39:24 Leah Lovasco: a wedding party going to a venue for a reception is a public building. Claudia you make no sense

01:39:28 Doug Parsons: you go, Don!!

01:39:33 Ashley Sullivan: oh my gosh this is insanity

01:39:42 Leah Lovasco: Claudia stop trying to push this through.

01:39:47 Marc John Randazza, First Amendment Lawyer: Schewitzer, you have seem to demonstrate very little knowledge. Perhaps you should resign and wait for someone who can think to be on this board.

01:39:47 Catherine Asaro: You're all a bunch of clowns, especially Claudia Natzi.

01:39:55 Doug Parsons: ☹️public buildings are buildings owned by the public, i.e., gov't

01:39:56 Rick Roberts Jr.:some of these people are crazy

01:40:00 Ten Pounds: Imao Marc

01:40:02 Silvie Lockerova: BOH needs to be replaced

01:40:03 leah lovasco: if they are having it at a venue a wedding is

01:40:16 MGlosta: Wasn't the amendment to consider a mask mandate in a month to 6 weeks?? Claudia is trying a slight of hand

01:40:17 Kim MacIsaac: I WILL NOT SHOP IN GLOUCESTER!

01:40:31 Santo: Business owners ! We need to stand up to these communist! And say No ! We will not comply! What can they do? Shut us all down?

01:40:35 Marc John Randazza, First Amendment Lawyer: You want a mandate? by what authority?

01:40:41 Silvie Lockerova: YEP DONE SHOPPING HERE, will go to NH instead

01:40:48 Rick Roberts Jr.:Claudia needs to retire now

01:41:05 Silvie Lockerova: There is no authority, not complying

01:41:20 Ten Pounds: #recallclaudia

01:41:29 leah lovasco: the Beauport is public access.

01:41:30 Marc John Randazza, First Amendment Lawyer: #recallclaudia

01:41:41 leah lovasco: the building is public

01:41:43 MGlosta: I'll second that motion!!

01:41:48 Silvie Lockerova: Hope they all read the comments.

01:41:51 Kim MacIsaac: THATS REDICULOUS! BOH HOW MUCH ARE YOU PAYED FOR THE MANDATES? YOU PROBABLY GOT SOME GOOD \$\$ DIDN'T YOU?

01:41:55 Marc John Randazza, First Amendment Lawyer: I will donate \$1,000 right now to any effort to recall Schweitzer.

01:42:02 Ashley Sullivan: no it makes no sense

01:42:29 Marc John Randazza, First Amendment Lawyer: Mr. Ganim seems to have his head on right.

01:42:29 Kim Maclsaac: ARE YOU PEOPLE BOUGHT OFF TOO?

01:42:37 leah lovasco: You are overstepping your rules and Claudia is pushing she needs to go away

01:42:59 Catherine Asaro: You losers are passing me off!

01:43:00 Marc John Randazza, First Amendment Lawyer: I mean it, \$1,000 toward the "Recall Schweitzer" campaign.

01:43:08 Marc John Randazza, First Amendment Lawyer: Anyone else willing to pledge ?

01:43:15 Kim Maclsaac: YEAH DONALD! LISTEN TO THE DOCTOR!

01:43:19 Ashley Sullivan: Marc you rock!!

01:43:31 leah lovasco: Leave it up to businesses to decide

01:43:49 Santo: I won't make anyone wear a mask! Period!

01:44:03 Kim Maclsaac: DR GANIN IS THE ONLY ONE THAT MAKES ANY SENSE EVERYONE ELSE IS RUNNING ON FEAR!
